GEORGIA
(A REAL GEORGIA PEACH)

In 90 fun filled minutes, you will learn more about St. Simons Island than you ever wanted to know. You are in for something special by taking this renowned historical/hysterical tour. Since 1993, the St. Simons Trolley Company has conducted the original and definitive tour of St. Simons Island.

The drive-by tour includes all the historical sites on the island including the Lighthouse, one of only three working lighthouses in Georgia; Bloody Marsh, site of the famous 1742 battle where the fate of the Southern Colonies was decided; Fort Frederica, the colonial town and fort settled by General James Oglethorpe; Retreat Plantation, where relics from the slavery era still exist; and a walking tour of Christ Church, the island's most famous landmark and a monument to one man's love for his beautiful, departed wife. We also point out the best places to eat, shop and play.

The St. Simons trolley tour is one of the most acclaimed in the South. To enjoy the island in true southern fashion, you must ride the St. Simons Trolley.

"I highly recommend the St. Simons Trolley tour."

- Eugenia Price, author

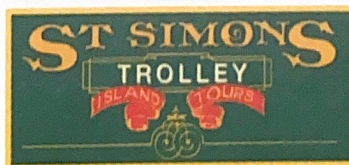

"I've taken both trolley tours and the St. Simons Trolley wins hands down!"

- B. Sharpe

"As a Civil war buff, I was intrigued by the plantation stories. I've never learned more from a tour - and I laughed a lot too!"

- Dr. J.W. Mimbs, Milledgeville, GA
