

Southeastern
Allergy, Asthma & Immunology Society

Exhibitor Prospectus

2026 SEAAIS 81st Annual Meeting
The Omni Hilton Head | Hilton Head Island, SC

Exhibition Dates:
September 17 - 19, 2026

About the SEAAIS Annual Meeting

In 1945, a small group of allergists from the Southeastern United States met to found an educational organization with the purpose of discussing the latest advances in allergy and immunology. The organization was also founded to provide a forum for allergy fellows-in-training to present their research work. This venue was not only enlightening to the physicians in practice, but also served to provide fellows-in-training experience in presentation skills.

The Southeastern society represents 13 states and has more than 350 members. Over 150 physicians and ancillary providers attended last year's meeting. Attendees will receive approximately 12-13 continuing education credits.

Our annual meeting is a live event that includes both lectures and interactive debate formats. The 2026 meeting will be held at the Omni Hilton Head, Hilton Head Island, South Carolina. Information regarding registration and the room block can be found on our website, www.seaai.org.

Thank you in advance for considering this request. Our physician members are most appreciative of your support for our educational endeavors. We look forward to working with you and your team!

Sincerely,

Lee S. Clore, Jr., MD
Executive Secretary-Treasurer
